

## **ACTIVITIES REPORT**

**August 21, 2010**

Greetings Family:

I would like to start by thanking everyone for supporting Activities throughout this past year. It has been a rewarding and pleasurable experience and I am grateful for the opportunity to be of service. I will be available to help with the transition of the new chairperson and will do my best to assist in any way I can.

There is one thing that I would like to bring up for this committee to consider. That is our need to promote unity in our area. I feel bad that I have not been doing as much I could have done to help with this and will try to be more conscious of this in the future.

Next week is Unity Weekend and we have less than 20 paid registrations. We need 60 to break even. Please announce that we need support for this event so we can continue to have it next year.

Thank you for letting me be of service.
