

ASC chair report 08/2010

Hello family,

We are at the end of our year and elections are upon us. This year of service has raised some questions for us about how we are doing business. Hopefully our area inventory will be well attended and we will be able to do better in the upcoming year. I have thought about how I can do better. Area Service commitments involve more than just showing up at area and if I am elected for a second term I am going to try and improve my subcommittee attendance.

It is also time to remind GSRs that Area Service is about more than showing up for Area for them too. Our subcommittees are in desperate need of participation and everyone needs to step up and pick a subcommittee to support.

I am looking forward to Unity Weekend next week. Please come out and be a part of... It is our biggest event of the year and it should be great!

In loving service,

Steve
