JUST FOR TODAY

Just for today...My thoughts will be on my recovery, living and enjoying life without the use of drugs.

Just for today...I will have faith in someone in N.A. who believes in me and wants to help me in my recovery.

Just for today...I will have a program. I will try to follow it to the best of my ability.

Just for today...through N.A. I will try to get a better perspective on my life.

Just for today...I will be unafraid, my thoughts will be on my new associations, people who are not using and who have found a new way of life. So long as I follow that way, I have nothing to fear.

Third Step Prayer

"Take my will and my life, guide me in my recovery and show me how to live."

What is the Narcotics Anonymous Program?

N.A. is a nonprofit society of men and women for whom drugs had become a major problem. We are recovering addicts who meet regularly to help each other stay clean.

This is a program of complete abstinence from all drugs. There is only one requirement for membership, the desire to stop using. We suggest that you keep an open mind and give yourself a break.

Our program is a set of principles written so simply that we can follow them in our daily lives.
